Please check your school email for information on student leadership roles for 2020.

Year 13 **University Halls of Residence Applications** (JOH)

Just a reminder that all of you intending to apply for a Halls of Residence, should have completed or be well underway with your application. The closing date, which includes my reference, is the 15th September. However, I do not want a weekend like last weekend, when I was trying to help my son and daughter-in-law move house while constantly checking my emails for last minute scholarship applications. Please be advised that if I have not received a request for a Halls of Residence by 2pm on Friday 13th September, you may miss out on receiving a reference.
