|                                                                 |  |  |  |
|-----------------------------------------------------------------|--|--|--|
| NOTE:                                                           |  |  |  |
| Best times are not records. They are the best times recorded    |  |  |  |
| for an event that is raced for the first time. These times must |  |  |  |
| be held for 2yrs before it can become a record.                 |  |  |  |
| (if the event is continued, then times count as                 |  |  |  |
| per normal).                                                    |  |  |  |
|                                                                 |  |  |  |
|                                                                 |  |  |  |
